ALL YOU NEED TO KNOW ABOUT HUB iD

1. What is a Hub iD?
Hub iD is a unique User login iD and password created by you to manage your StarHub services online.

2. Why should I sign up for Hub iD?
With a Hub iD, you can easily manage all your StarHub services:

- **My Account Manager**
  View your bills, update your billing address and personal particulars, renew your service contract, make payment online instantly and subscribe to or change your value-added services.

- **My StarHub (Mobile App)**
  View your service contract expiry date, bills, make payment online instantly, subscribe to Value-added Services and locate the nearest StarHub shops or Customer Service Centres via your mobile phone.

- **StarHub Rewards Redemption**
  Reward yourself with treats from our catalogue.

- **TV Anywhere**
  Watch your cable TV channels anywhere on your PC, Mac, iPad and tablets at www.starhubtv.com.

- **StarHub Music Store**
  Groove to the latest hits on your mobile or PC with just one download and multiple transfers across your devices at the StarHub Music Store.

- **StarHub Game Store**
  Enter a whole new world of online gaming, and choose from a wide range of popular games across many genres.

- **StarHub Wireless Access**
  Enjoy wireless internet access at selected WiFi spots in Singapore.

3. How do I sign up for a Hub iD account?

- Online at www.starhub.com/hubid
- StarHub Customer Service Centres
- StarHub Shops

4. Can I sign up for more than one Hub iD?
As a StarHub customer, all you need is a one-time sign up using your NRIC or FIN.

5. If I am not a StarHub customer, can I sign up for Hub iD?
Yes, you may sign up for a Hub iD to access our Music and Game stores.
