■ Celebrating National Day onboard with Singapore Flyer

Celebrating National Day on the world's largest Giant Observation Wheel, Singapore Flyer drew huge responses. 20 Platinum Club members were invited to join us onboard as we celebrated the nation's birthday. Complimentary champagne and tantalizing canapes were served throughout the flight, as the Platinum Club members witnessed the beauty of fireworks against the breathtaking and panoramic nightscape of Singapore. Of course, the ultimate indulgence experience in the sky would not be complete without Platinum Club members going home with an exclusive goodie bag.
