65" UHD display with 60Hz MEMC technology

## Immersive entertainment experience

Dolby Vision®, Dolby Audio™ and DTS-HD® supported

## Powered by Android TV™

Enjoy endless content with Netflix, Prime Video, YouTube and more

## Easy access for content viewing

Find and cast content with Google Assistant, Chromecast built-in and Miracast support

## Smart home control hub

Seamless control connected IoT devices with 360° Bluetooth remote

## 4K display with MEMC for smooth, cinematic entertainment

Xiaomi TV P1E 65" sports a 4K ultra high definition display with 3840x2160 resolution for an exceptional viewing experience. In addition to a 60HZ refresh rate, the device leverages MEMC technology to allow content with even lower frame rates to be experienced with silky smooth visuals. Xiaomi TV P1E 65" also supports Dolby Audio™ and DTS-HD® dual decoding technology, for immersive, cinematic audio experiences.

## Easy access to the latest content via Android TV™<sup>1</sup>

Xiaomi TV P1E 65" comes with Android TV™ built-in, giving users instant access to 400,000+ movies and shows from Netflix, Prime Video, YouTube, and 7,000+ of Google Play apps. The TV also features Chromecast built-in and Miracast. Users can simply cast content from their smartphones, tablets, or laptops to the large screen TV.

## Smart home control hub with 360° Bluetooth remote control

Xiaomi TV P1E 65" functions as a smart home hub, with Google Assistant built-in<sup>2</sup>. This gives users the ability to seamlessly control the device with voice commands. Besides finding content, users could check their calendar, manage daily tasks, and even command connected IoT devices through the TV. Xiaomi TV P1E 65" remote control features 360° Bluetooth, meaning the TV responds to commands no matter the angle of the remote control. Dedicated buttons for Netflix and Prime Video make it quicker than ever to dive straight into the content you want.
