1. Who can Subscribe for the Services

You can subscribe for the Services if you are a company, business, partnership or organisation incorporated or registered with the Accounting and Corporate Regulatory Authority of Singapore (ACRA) or such equivalent authority in your country of incorporation or registration. We may refuse to provide Services at our discretion. If we have made available the Services to you, we will be deemed to have accepted your application even if (a) we have not given any written acceptance to you or (b) you have not actually used the Services.

2. Paying for the Services

2.1 You have to pay for the Services.

2.1.1 Services procured or used: You have to pay for the Services you have procured or used, which include services given by third parties where we are billing on their behalf. Once you subscribe for and receive any of our Services, you must pay for the Services even if they are used by someone else (regardless whether with your express consent and/or knowledge or otherwise).

2.1.2 Services provided by third parties: In addition, if you use any Services provided by third parties where we are billing on their behalf, the provisions relating to billing and collection on behalf of third parties in the applicable Service Specific Terms and Conditions will apply. These can be accessed at our website.

2.1.3 StarHub e-bill: You may apply for our electronic bill presentment service offered by us. If so, the terms set out in paragraph 12 would additionally apply to your relationship with us.

2.2 How we calculate the Charges

2.2.1 Services you subscribe for: We will only charge you for the Services you subscribe for. Our Charges are calculated based on our records or, where applicable, the records given to us by a Service Provider.

2.2.2 Recurring Charges: If there are recurring Charges for the Services, these are typically calculated for the full period that they relate to. While we do our best to ensure that the Charges are as up to date as possible, Charges you incur for the Services could be included in the bill in the next billing cycle or any other future billing cycle(s).

2.2.3 **Billing cycle:** We send out bills at monthly intervals, but if your usage is more than or likely to be more than a pre-set limit, we may send a bill outside of your usual billing cycle, to alert you that you have exceeded the limit.

2.2.4 We may change our billing cycles and send you bills at such intervals and on such dates as we decide.

2.3 How to pay

2.3.1 **Payment methods:** You may pay through GIRO, your credit/debit card or in some payment way we agree to. However, you are responsible to ensure that payment is received by us for your bills on time, including ensuring that you have available balance or credit in your account.

2.3.2 **Third party payment:** If a third party agrees to make payment for the Services provided to you, we will not take instructions from third parties relating to your account and the Services. You will continue to be responsible to ensure the Charges are paid on time.

2.3.3 **When Charges are due:** The Charges are due when the bill is issued. You must pay the Charges by the payment date set out in the bill. Unless we state otherwise, all Charges are payable in Singapore dollars. Unless there has been fraud or manifest error on our part, subject to paragraph 2.3.4 below, each bill is conclusive evidence against you of the accuracy and completeness of all matters stated in it. You must pay all Charges without any counterclaim, deduction, set off or withholding.

2.3.4 **Disputed bill:** This paragraph sets out what you should do if you do not agree with any Charge contained in a bill.

2.3.4.1 Please inform us of your reasonable objections in writing before the payment date shown on your bill.

2.3.4.2 We will investigate the matter and will respond to you in writing within 30 days.

2.3.4.3 Prior to receiving our response, you do not have to pay the amount of the Charges that you have disagreed with. However, to be clear, you must pay all the other Charges which are not in dispute on a timely basis and in accordance with these Business General Terms & Conditions.

2.3.4.4 If we agree that there is a mistake in your bill, we will adjust your next bill accordingly. However if we do not agree, or if there is still any amount payable by you under that bill, you will have to pay the relevant amount as soon as possible, within the period stipulated by us in our response to you. Our decision will be final.

2.3.4.5 If you do not pay on time, we may charge you for any costs we incur in recovering the amount from you, and for late interest or our standard late payment fee as decided by us from time to time. Late interest is currently at 1.5% per month from the date the unpaid amount was due and payable, calculated on a daily basis.

2.3.4.6 If you have paid a bill and wish to contest it subsequently, you must inform us of your reasonable objections in writing within 1 year from (a) the date of that bill if it is a post-paid Service, or (b) the date of your payment if it is a pre-paid Service.

2.3.5 **GIRO:** If you choose to make payment by GIRO, the following paragraphs will apply:-

2.3.5.1 **Information given by you:** The information given by you for recurring payment of bills by GIRO will supersede all relevant information relating to you or the nominated bank account holder ("**Bank Account Holder**") in our systems.

2.3.5.2 **GIRO Arrangement:** By setting up recurring payments by GIRO, the Bank Account Holder and you agree to us debiting the relevant bank account for all charges billed to the relevant account as nominated. This arrangement will continue to be in effect until you notify us in writing to

terminate it, or until we receive a notification from the Bank Account Holder's bank ("**Bank**"). We reserve the right to terminate this payment arrangement at any time in our discretion.

2.3.5.3 New Applications: For approved new application for payment by GIRO, this authorisation will take effect from your next billing cycle. You agree to pay for any current outstanding balance via other payment methods until the GIRO arrangement takes effect.

2.3.5.4 Unsuccessful GIRO Deduction: If we are unable to make the deduction or settlement with the Bank for any reason whatsoever, you shall remain liable to us for the Charges under the account(s) associated with the payment code(s) / account number(s) on the application for GIRO arrangement. Further we will not be liable to you or any nominated Bank Account Holder(s) for any Bank Charges incurred on the bank account as a result of our deductions as authorised herein.

StarHub is not liable for any surcharges/fees imposed by the bank for unsuccessful deductions from the designated GIRO bank accounts. Hence, please maintain sufficient funds in your bank account for the GIRO deductions to avoid any administrative or late charges.

In the event of unsuccessful GIRO deduction by the Bank, the Bank Account Holder shall contact the Bank for further clarification.

2.3.5.5 Termination of GIRO arrangement: The GIRO arrangement will be terminated if the deduction is unsuccessful (a) on a repeated basis for 2 consecutive billing cycles with the same rejection reason from the Bank each time; or (b) due to suspension, termination or closure of bank account.

2.3.5.6 Instructions in the event bill is paid by third party: In the event that the StarHub bill is paid by a consenting third party Bank Account Holder, StarHub shall only take written instructions from you, including but not limited to payment instructions and services subscribed to.

2.3.6 Recurring Credit Card Payment Arrangement: If you choose to make payment by a Recurring Payment Arrangement (as defined below), the following paragraphs will apply:-

2.3.6.1 Information given by you: The information given by you for recurring payment of bills by credit/debit card (the "**Recurring Payment Arrangement**") will supersede all relevant information relating to you or the nominated credit/debit card holder ("**CardHolder**") in our systems.

2.3.6.2 Recurring Payment Arrangement: By signing up for the Recurring Payment Arrangement, you and the Cardholder agree to us debiting the relevant credit/debit card for all Charges billed to the relevant account as nominated. This Recurring Payment Arrangement will continue to be in effect until you notify us in writing to terminate it, or we receive a notification from the Cardholder's card issuing bank. We reserve the right to terminate the Recurring Payment Arrangement at any time in our discretion.

2.3.6.3 New Applications: For approved new applications, this authorisation will take effect from your next billing cycle. You agree to pay any current outstanding balance via other payment methods until the Recurring Payment Arrangement takes effect. If you send an application form to us by email, you are responsible for ensuring the security of the application form in transmission and we shall have no liability in respect thereof.

2.3.6.4 Unsuccessful deduction: If we are unable to make the deduction or settlement with the Bank for any reason whatsoever, you shall remain liable to us for the charges under the account(s) associated with the payment codes(s) / account number(s) / identification number on the Recurring Payment Arrangement application. Further, we will not be liable to you or the Cardholder for any Charges incurred on the credit/debit card as a result of our deductions as authorised herein.

In the event of unsuccessful recurring credit/debit card deduction by the Bank, the Cardholder shall contact the Bank for further clarification.

2.3.6.5 Termination: The Recurring Payment Arrangement will be terminated if the deduction is unsuccessful (a) on a repeated basis for 2 consecutive billing cycles with the same rejection reason from the Bank each time; or (b) due to suspension, termination or expiry of the relevant credit/debit card, stolen credit/debit card or closure of bank account.

2.3.6.6 Instructions in the event bill is paid by third party: In the event that the StarHub bill is paid by a consenting third party CardHolder, StarHub shall only take written instructions from you, including but not limited to payment instructions and services subscribed to.

2.3.7 Cheque Payment: If you choose to make payment by cheque and this is returned or rejected by the bank, you will have to pay us a processing fee (inclusive of GST).

2.3.8 Changing or stopping payment methods: If you wish to change or stop your payment method, this will only take effect from the next billing cycle. If you wish to stop payment by GIRO or by credit/debit card, you must notify your bank and us before the termination. If your card is lost, stolen, expired or terminated, you must also inform us in writing immediately. The termination of these forms of payment will only be effective when the message referring to the GIRO or credit/debit card deduction is no longer reflected in your bill. You must make payment for any outstanding amounts in cash, cheque or bank draft immediately together with any administrative fees and/or processing fee (inclusive of GST) for any failed transaction. We can terminate any recurring payment at any time.

2.3.9 Liability: You use the recurring bill payment arrangement by GIRO or credit/debit card at your sole risk. To the fullest extent allowed by law, we do not give any assurances, guarantees, or warranties, either express or implied, in relation to such recurring bill payment arrangements. We will not be liable for any loss, cost, delay, error, neglect or omission in facilitating the payment under such recurring bill payment arrangement by GIRO or credit/debit card, or any unsuccessful payment.

2.4 Taxes

You are responsible for all Taxes (including prevailing GST). If you are required to deduct or withhold any sum as Taxes imposed on any amount payable to us, such amount must be increased so that we will receive a net amount equal to the amount which we would have received in the absence of any such deduction or withholding.

2.5 Other Payment Matters

2.5.1 If you do not pay any portion of a bill on time, we may suspend, restrict or terminate any of the Services that we provide to you and charge you administrative fees and/or late payment interest or fee as set out in paragraph 2.3.4.5 above. You must also pay (a) all sums due under any other agreements or accounts you have with us, and (b) all the legal, administrative and other costs we incur in relation to recovering payment from you of all amounts due.

2.5.2 If you use more than one Service, and your payment is for less than the total amount of a bill, please state which Service(s) you are paying for with your payment. Otherwise we will apply the payment we receive towards any outstanding bill in such manner as we decide. If you have more than one account with us, we may transfer any credit balance under one account to settle outstanding amounts under another account.

2.5.3 We may, at our discretion, authorise our Affiliates to issue bills and collect payment of Charges and moneys on our behalf.

2.5.4 Any change in your billing details (including billing address, billing addressee and identity of the third party (if any) making payment for the Services provided to you) must be notified to us in writing at least 1 month in advance. If you do not so notify us, we shall be entitled to rely on the previous billing details and you cannot rely on any change in billing details as a reason for objection under paragraph 2.3.4 above.

2.5.5 Unless otherwise stated, all quoted Charges and prices are in Singapore dollars and inclusive of prevailing GST.

3 Deposit

- 3.1 We may require you to place a deposit as security for the performance of your obligations to us. We may also require the amount of the deposit to be increased from time to time, before we provide or continue to provide any Services to you. This deposit is separate from your payment of the Charges and you may not require us to offset it against your outstanding Charges. However, we may apply some or all the deposit to offset any outstanding amounts you owe us.
- 3.2 If there is any amount of your deposit remaining when the Services are terminated and all other amounts payable by you have been paid, we will refund the balance to you without interest.
- 3.3 The deposit does not affect our other rights against you, including the right to terminate any Service if you do not make payments when due.

4 Your Responsibilities

This paragraph 4 describes your obligations to us if you wish us to provide the Services.

4.1 Your relationship with StarHub: You must:-

- 4.1.1 provide accurate and complete information to us and inform us immediately if there are any changes to the information you gave us;
- 4.1.2 pay all Charges for the Services you subscribe for, even where there is any suspension, interruption or loss of the Services, and you must pay Charges for any disconnection and/or re-connection of the Services, whether this was caused by your request or your default;
- 4.1.3 comply with all applicable laws, rules and regulations and any requirements or restrictions which we may or the Service Providers may impose on the use of the Services or any telecommunications system and Equipment;
- 4.1.4 comply with all instructions, notices or directions issued by us; and
- 4.1.5 take all reasonable steps to prevent fraudulent, improper or illegal use of the Services.

4.2 Your use of the Services: You are responsible for the use of the Services you subscribe for and for any Content disseminated through your account(s). This would include:-

- 4.2.1 obtaining the appropriate permission if you use the communication services or Equipment of third parties to access the Services;
- 4.2.2 not using or allowing the Services you subscribe for to be used in any unlawful way or in a way that could give rise to civil or criminal liability. This would include:-
 - 4.2.2.1 posting, soliciting, transmitting, or disseminating Content which may be misleading, defamatory, offensive, indecent, objectionable or illegal, or which may cause annoyance, harassment, irritation, inconvenience or anxiety to anyone, including junk/spam mail, solicitations, or distributing mail to any party who has not given permission to be included in the distribution. Junk/spam emails do not have to be sent from your account or our Network to violate this Agreement. Emails sent by or through a third party that advertises or otherwise directs traffic or links to your website or your account are considered sent by you. If someone alleges that you have breached any of these terms, we can require you to give evidence that you have not including adducing evidence of a "Confirmed Opt-In" mailing list where applicable;
 - 4.2.2.2 forging, issuing or misrepresenting message headers to mask the originator of the message or employing any other method to disguise or mislead anyone on the source or quantity of the emails transmitted;

4.2.2.3 posting, soliciting, transmitting, or disseminating Content which may give rise to civil liability or otherwise violate any applicable laws, rules or regulations;

4.2.2.4 posting, soliciting, transmitting, disseminating, advertising or storing or otherwise making available any Content, product or service that is pornographic or contains malware such as computer viruses, worms, trojan horses, time bombs, cancelbots or any other harmful, damaging or destructive programmes;

4.2.2.5 illegally, or without appropriate authority, accessing or attempting access to any part of the Services, the Network or any third party equipment, accounts, systems or networks to which you can connect through the Services (directly or otherwise), or doing anything as a precursor to such an attempt (including port, stealth, security or penetration scans or other illegitimate information gathering activity) on the servers or network of StarHub or the Service Providers;

4.2.2.6 disrupting or undermining the security of the networks and systems connected to the Services, or violating the rules, regulations, policies or procedures of such networks. This can include failing to update software or accessing websites that are known to be vulnerable to malicious activity or exploitation;

4.2.2.7 collecting and/or disseminating information about others or their email addresses without their consent;

4.2.2.8 violating anyone's rights including their intellectual property and privacy rights;

4.2.2.9 using for any fraudulent, illegal or improper purposes or in any way which may (i) cause annoyance, harassment, irritation, inconvenience or anxiety to anyone or (ii) affect anyone's use of services or any networks;

4.2.2.10 reselling or providing any part or component of the Services, whether for profit or not, to third parties without our prior written consent;

4.2.2.11 advertising, transmitting, facilitating or making available any Content, product or service that may breach this Agreement;

4.2.2.12 doing anything that is likely to generate excessive Network traffic beyond what is normal and reasonable, cause congestion to the Network, or cause any disruption, interference, interruption or degradation in the Network or our services; and

4.2.2.13 doing anything, even if it is lawful, that we decide is harmful to our customers, operations, reputation, goodwill or customer relations.

You agree that these restrictions are reasonable and necessary for the operation, management and maintenance of the Network. However, if any of the restrictions are held by a court or tribunal to be invalid for any reason, but would be valid or effective if any part of its wording were deleted, you agree that the restriction shall apply to you with such deletions or amendments made so that it is valid and effective at law.

- 4.3 **Fair Use Policy:** The use of Services shall be subject to their applicable terms and conditions and where applicable, our fair use policy, which refers to normal and reasonable use of the Services ("**Fair Use Policy**"). For example, an 'unlimited data plan' shall only apply to normal surfing and emailing and not any other types of use, including video streaming, YouTube viewing, hot spotting, tethering as a dongle etc. If your usage exceeds the recommended Fair Use Policy within a time period decided by us, we reserve the right to suspend, restrict (including to impose a 'speed limit' on your usage) or terminate your access to the Services without giving any notice to you until the end of the affected day or bill cycle (as applicable), and/or impose our prevailing rates for such excess usage, as decided by us. You acknowledge and agree that such Fair Use Policy is necessary to ensure consistent and acceptable use of the Services and Network by all our customers.

5 Security

Your secrecy and security are important. This paragraph 5 describes the actions you must take to protect the security of the Services.

- 5.1 Please keep your login identification, passwords, PINs and other private information confidential. You are solely responsible for all activities that occur under your accounts, even without your consent and/or knowledge. If you use any login identification, password or PIN that we deem to be insecure, that would be a breach of this Agreement.
- 5.2 We may refuse, change or remove login identification, password(s) or PIN which we deem inappropriate or offensive.
- 5.3 You must take immediate action to remedy the situation if you discover or suspect that there has been any unauthorised use or disclosure of your login identification, password(s) and/or PIN or that your account security has been compromised, including by immediately informing us and changing your password(s) and/or PIN.
- 5.4 You should change your password(s), PIN or any other security identification regularly for your security.
- 5.5 We are not responsible for the security of your account, and any equipment, network and systems you use to access the Services. We do not guarantee the safety and security of any transmission you make.

6. Things we may have to do

This paragraph 6 describes the actions we may take in providing the Services.

- 6.1 From time to time we will need to verify the accuracy of the information you provide to us. This could include cross tabulating with external databases. You agree to such actions by us.
- 6.2 We also have to take appropriate actions to protect, maintain, improve and/or manage our Network and systems and to ensure smooth provision of our Services with or without notice to you. These include:-
 - 6.2.1 carrying out maintenance and repair work to our hardware and software, that may involve interruption or suspension of some or all of the Services. We will try to restore the affected Services as quickly as we can;
 - 6.2.2 performing searches or scans of your Content/data and system;
 - 6.2.3 performing Network management and maintenance which may affect some or all of the Services;
 - 6.2.4 managing and controlling access to the Network, even if access is a requirement or constitutes part of the Services; and
 - 6.2.5 managing and controlling access to certain data stored in the Network, even if it belongs to third parties or customers.

We, or our designated Affiliates, may carry out any of the above actions in any manner we consider appropriate or necessary and we will not be liable to you or any third party for any loss, damage or expense that may result from this.

- 6.3 We will not intentionally monitor any electronic messages sent or received by you unless required to do so by law, governmental authority or with your consent. We may, however, monitor our service electronically to determine that our Services and Network are operating satisfactorily. We will not intentionally disclose your online communications or activities, except to comply with a court order

or applicable laws, or where necessary to protect us and others from harm, or for the proper operation of our Services and Network.

7. Equipment and Software

This paragraph 7 describes your and our respective rights and obligations relating to the Equipment and software used in the provision of the Services.

- 7.1.2 using the Equipment in a safe and lawful manner;
- 7.1.3 complying with all instructions, notices or directions issued by us or the relevant Regulatory Authority in respect of the installation, use or operation of the Equipment;
- 7.1.4 storing the Equipment in an appropriate and lawful manner, including any necessary electrical power supply;
- 7.1.5 keeping the Equipment in good condition in accordance with applicable guidelines, instructions, notices, directions or specifications; and
- 7.1.6 ensuring all equipment and software used by you are compatible and may properly function and operate with the Services or the Equipment which we provide, sell, lease or rent to you.

7.2 Equipment provided or leased from us

We may provide, sell, lease, rent or maintain the Equipment to or for you under a separate agreement. This is subject to stock availability. Unless we otherwise agree in writing, any defect in any Equipment sold to you will be covered under the relevant manufacturer's warranty only, and you have no claim against us for any defects. If you make any claim under the manufacturer's warranty for any Equipment, you must provide the original proof of purchase of the Equipment from us. If we lease or rent any Equipment to you, we will continue to be the owner of such Equipment and you must not allow anyone to modify such Equipment without our prior written consent. We are not responsible for any Equipment sold or any related hardware or Software comprised therein, including for any loss or damage caused by the use of such Equipment, hardware or Software.

For the avoidance of doubt, unless we otherwise agree in writing, we are not responsible for any equipment not provided by, purchased, leased or rented from us, including for any loss or damage caused by the use of such equipment.

7.3 Use of Software

We may sell or otherwise provide to you Software or you may access Software via the Services. Unless we agree otherwise:-

- 7.3.1 you may not copy, reproduce, translate, adapt, vary or modify the Software or transmit or communicate it to any third party without our written consent or, if applicable, a third party supplier's written consent;
- 7.3.2 you may not remove, add to, change or otherwise tamper with any copyright notice, legend or logo appearing in or to the Software or the medium where it is stored; and

7.3.3 all copyright, trademarks and other intellectual property rights subsisting in the Software, and all documentation and manuals relating to the Software, will remain the property of StarHub or, if applicable, the third party supplier.

8. Content, Products and Services

This paragraph 8 describes how you should use the Content and Products you access using our Services.

8.1 You may access Content, products and/or services using the Services. You agree that:-

8.1.1 all such Content, products or services will be the sole responsibility of the person from whom they originated, and we do not endorse or guarantee their accuracy, reliability, integrity, legality or quality;

8.1.2 we are not liable for any Content, products or services which you may access, use or acquire via the Services;

8.1.3 you are solely responsible for all Content, products or services that you transmit or make available via the Services;

8.1.4 we do not endorse, guarantee, or control any third party Content, products or services which you may access, use or acquire through the Services;

8.1.5 by using the Services, you may be exposed to third party Content, products or services that may be defamatory, offensive, indecent, objectionable or illegal; and

8.1.6 we may without notice to you, remove, modify or deny access to, suspend or terminate any Content, products or services which you try to access, or which you transmit or make available via the Services, including without limitation such Content, products or services that may be or are alleged to be defamatory, offensive, indecent, objectionable or illegal or may have infringed any party's intellectual property rights. We shall not be responsible for determining the validity of any such allegations.

We will not be liable to you or any third party under any of paragraphs 8.1.1 to 8.1.6 above.

8.2 In addition, we will not be liable for any non-delivery or non-performance of, or any defects in or problems with, any goods and services you obtain from advertisers or any third parties on our website or through the Services. We are not responsible for such advertisers or third parties.

8.3 If any Services are provided to you on a free trial basis, the full Charges for that Service shall apply after the free trial period, without notice to you. You agree that display of the applicable Charges for the Services on our website or applications will constitute notice of the Charges.

9. Use of Network

This paragraph 9 describes how you may use the Network for our Services.

9.1 Additional Rights

The provisions of this paragraph 9 are in addition and without prejudice to any other rights we may have over the Network and its use, whether granted by statute or otherwise.

9.2 Ownership

You agree that we are the owner of the Network at all times, even if parts of the Network (such as Equipment, cables and/or fixtures) may be located on your Premises or may be otherwise procured by us from third parties.

9.3 Access and Maintenance

From time to time and in order to protect and enhance our Network, we will need to take appropriate actions to protect, maintain, improve and/or manage our Network. Where we can, we will give you reasonable advance notice. You agree that:-

- 9.3.1 you will provide access, space, power feed and such reasonable assistance as we may require, without charge, to carry out site survey or any activities related to the Services, to undertake the Works, or to operate and/or maintain and safeguard the Network. You agree that the developer, owner or agent of the Premises may impose certain Charges on us (or on us on your behalf) arising from and/or in connection with this paragraph. You agree to bear and pay all such Charges directly to the developer, owner or agent, or to reimburse us for all such Charges, including:

- 9.3.5 if we ascertain that any fault is caused by your equipment or systems, we may charge you our prescribed standard rates for any repair or rectification works; and
- 9.3.6 we have the right to conduct Network maintenance at such times and frequencies as we decide, and we are not liable to you for any disruption or interruption to the Services and/or your access to the Services which may result.

9.4 No Unauthorised Acts

- 9.4.1 You will not undertake or permit anyone to undertake any Unauthorised Act and will notify us as soon as you are aware of any Unauthorised Act, including allowing your equipment, software and/or systems connected to the Network to cause or be used for an Unauthorised Act.
- 9.4.2 You will immediately disconnect, switch off, suspend, secure or remove any equipment, software or systems from the Network if we notify you that any of such equipment, software or systems connected to the Network will cause, is causing or is likely to cause or is or may be used for an Unauthorised Act.

We will be entitled to impose our standard prescribed Charges for undertaking any removal or relocation of the Network, including signal diversion costs.

10. **Liability**

This paragraph sets out our obligations to you in providing the Services.

10.1 The Services are provided to you on an "as is" and "as available" basis. You agree that you use the Services or rely on any Content at your sole risk.
